## Benefits Available to You!

Taurean Consulting Group offers Aflac Benefits  
Nancy Marcellus will contact you to explain the benefit offerings.

*Aflac's supplemental policies pay CA\$H directly to the policyholder over and above any other insurance, it works with your health insurance*

- 1. Aflac helps with personal expenses when an illness or injury occurs**
- 2. Aflac helps with everyday living expenses when you need it the most**

**Accident Advantage Plan:** For injuries ON or OFF-the-job. Emergency Treatment, Follow-up visits, Hospitalization, Physical Therapy, Accidental Death, and Wellness plus . . . much more.

**Hospital Advantage Plan:** Helps offset the out-of-pocket expenses of a hospital stay with payments for initial day, emergency room, short stays, doctor visits and more. Excellent for maternity hospitalization.

**Short Term Disability:** Your paycheck protector. Monthly benefit amount paid directly to you. It helps with income replacement when a disabling sickness or injury occurs and pays disability maternity leave when a woman has a baby.

**Cancer Care:** 1-in-2 men and 1-in-3 women will get cancer. Policy pays if diagnosed and going through the high cost of fighting cancer. Cancer is running rampant and strikes at any age.

**Life Protection:** Provides up to \$50,000 to \$500,000 of quality term-life or whole-life coverage. Protect your loved ones.

**Dental:** If you've been going to the dentist regularly (or need an incentive to begin). Aflac's plan offers some of the finest in easy-to-understand coverage. No co-pays, No deductibles, Pays any dentist.

**Vision:** Wellness benefits for exams and glasses. Catastrophic benefits for eye diseases, surgery and loss of sight.
